

SOUTHSIDE INITIATIVE

Community supporting families

The **Southside Initiative** aims to develop community driven solutions to better support **vulnerable children 0-8 years and their families**.

This Initiative uses a collaborative and community focused approach to develop and trial **practical activities** and **initiatives** aimed at **improving life outcomes for children and families** who live in the southside.

Check out **FREE** Family Support Resources, Family Directories, Events and much more via the QR codes below, or by visiting **www.healthyschoolsact.com.au/southside-initiative**
